# Flexible Seating

Dear Classroom Friends and Families.

Our class is so excited that we will be implementing flexible seating into our classroom. Flexible seating gives your student the opportunity to take charge of their learning by picking their own spot to work. A place where they learn best, and are most comfortable!

Your student will have the freedom to work while standing, sitting, leaning, etc. Students may also select to work at a flex desk, table, exercise ball, chair etc. We will be incorporating new types of flexible seating throughout the year and encourage the students to try the different learning spaces.

Several parents have asked if they could donate items or money to fund our flexible seating. Please contact me for additional information. If you would like to contribute to our classroom's learning spaces, these are some ideas for donation:

- Clipboards
- Exercise Balls (75cm or larger)
- Plastic Page Sleeves
- Expo Markers
- Index Cards
- 1 inch metal rings

Thank You for supporting our classroom. It means so much to me and our amazing students .

Sincerely,

Veronica Oliver
